Orangeskies Sprint#1 (Sep.07 - Sep.18)

Pranav

What tasks did I work on / complete?
- UML Class Diagram
- Database Environment Setup

What am I planning to work on next?
- Design Login UI

What tasks are blocked waiting on another team member?
- No

Kamal

What tasks did I work on / complete?
- UML Class Diagram
- MongoDB schema

What am I planning to work on next?
- Admin API (approve / reject / remove users)

What tasks are blocked waiting on another team member?

Yehia

What tasks did I work on / complete?
- UML Class Diagram
- MongoDB schema

What am I planning to work on next?
- Favorite API to store fav listing

What tasks are blocked waiting on another team member?

Katy

What tasks did I work on / complete?
- UML Class Diagram
- Database Environment Setup

What am I planning to work on next?
- Design Landing Page UI

What tasks are blocked waiting on another team member?

XP Core Values : Communication
- **Work UML class diagram together**
- **Meet around 5hours / week**

Orangeskies Sprint#2 (Sep.21-Oct.02)

Pranav

What tasks did I work on / complete?
- Design Login UI
- Design Register UI

What am I planning to work on next?
- Navigation Bar and different user's view

What tasks are blocked waiting on another team member?
- Need user login / signup API to design the UI.

Kamal

What tasks did I work on / complete?
- User Register API
- Admin API (approve / reject / remove users)

What am I planning to work on next?
- Create listing, Search by ID, Search by params

What tasks are blocked waiting on another team member?

Yehia

What tasks did I work on / complete?
- API Structure for different roles

What am I planning to work on next?
- Favorite API to store fav listing

What tasks are blocked waiting on another team member?

Katy

What tasks did I work on / complete?
- Implement Landing Page
- Design Signup / Login modal

What am I planning to work on next?
- Administration Page (Approve / Reject / Remove users)

What tasks are blocked waiting on another team member?
- Waiting for Admin API for administration page

XP Core Values : Communication
- **Communicate about next steps and keep frontend work and backend work align**
- **Meet around 5hours / week**

Orangeskies Sprint#3 (Oct.19-Oct.30)

Pranav
What tasks did I work on / complete?
- Navigation Bar and different user's view

What am I planning to work on next?
- Searching implementation
- Search results present (listings page)

What tasks are blocked waiting on another team member?

Kamal
What tasks did I work on / complete?
- Create listing, Search by ID, Search by params

What am I planning to work on next?
- Search API

What tasks are blocked waiting on another team member?

Yehia
What tasks did I work on / complete?
- Favorite API to store fav listing

What am I planning to work on next?
- Backend: Renter/Buyer Application/Email

What tasks are blocked waiting on another team member?

Katy
What tasks did I work on / complete?
- Administration Page (Approve / Reject / Remove users)

What am I planning to work on next?
- Listing submission forms (Sale/rent)

What tasks are blocked waiting on another team member?

XP Core Values : Communication
- **Keep in touch daily and help each other**
- **Meet around 5hours / week**

Orangeskies Sprint#4 (Nov.02-Nov.13)

Pranav

What tasks did I work on / complete?
- Searching implementation
- Search results present (listings page)

What am I planning to work on next?
- Integration (connect frontend and backend)
- Deploy the Web application to AWS

What tasks are blocked waiting on another team member?

Kamal

What tasks did I work on / complete?
- Schedule open house API
- Search API
- Offers for buy / rent (Submission)
- Offer approve / deny

What am I planning to work on next?
- Adjust code during integration (connect frontend and backend)
- Deploy the Web application to AWS

What tasks are blocked waiting on another team member?

Yehia

What tasks did I work on / complete?
- Backend: Renter/Buyer Application/Email

What am I planning to work on next?
- Adjust code during integration (connect frontend and backend)

What tasks are blocked waiting on another team member?

Katy

What tasks did I work on / complete?
- Listing submission forms (Sale/Rent)

What am I planning to work on next?
- Approve / Deny Offer page UI
- Wrapping up all the documentation
- Integration

What tasks are blocked waiting on another team member?

XP Core Values : Communication
- **Check progress frequently that no task are blocked by waiting for other member**
- **Meet around 5hours / week**

Orangeskies Sprint#5 (Nov.16-Dec.03)

Pranav
What tasks did I work on / complete?
- Integration (connect frontend and backend)
- Deploy the Web application to AWS

What am I planning to work on next?
- Prepare for Demo and FINALS!!!

Kamal
What tasks did I work on / complete?
- Integration (connect frontend and backend)
- Deploy the Web application to AWS

What am I planning to work on next?
- Prepare for Demo

Yehia
What tasks did I work on / complete?
- Integration (connect frontend and backend)
- Deploy the Web application to AWS

What am I planning to work on next?
- Prepare for Demo and FINALS!!!

Katy
What tasks did I work on / complete?
- Approve / Deny Offer page UI
- Wrapping up all the documentation
- Integration

What am I planning to work on next?
- Prepare for Demo and FINALS!!!

XP Core Values : Communication
- **Communicate more during the integration to adjust frontend and backend code**
- **Meet around 5hours / week**
